1.7 Label

For rest of world units:

The image shows a rectangular product label with a light grey background. At the top left, there is a small icon of a mounting screw with the text 'Mounting Screws' and 'M6x8 max.' below it. To the right of this is a large barcode with the number '0007625 2591A5UD0A A X317 001 001 21J' printed below it. Further right, the text '5U' is printed in a large, bold font. Below the main barcode, there is a horizontal line separating the top section from the middle section. The middle section contains the following text: 'NISSAN Part No: 2591A5UD0A', 'Model name: AIVIL12F0', 'DNN:TLE367', 'MH: 001 HW: 001', and 'SW: X317(0539) Index: A'. To the right of this text, there is another barcode with the number '6TP12DRC' printed below it. Below the middle section, there is another horizontal line. Below this line, the text 'Multimedia device with Bluetooth and WLAN Voltage:13,5V-Current: 15A max.' is printed. At the bottom of the label, there is a horizontal line. Below this line, the Bosch logo and 'BOSCH' are printed on the left, followed by 'C-SAMPLE ONLY FOR DEVELOPMENT PURPOSE' in the center, and 'Made in Malaysia' on the right. A large, diagonal red watermark 'BOSCH' is overlaid across the bottom half of the label.
