**Statement of equality of structure Proline2**

We the undersigned hereby declare that the **Proline2 remote controls** in accordance to the Schematics, Parts List, Operating Description, Block Diagram

1. Proline 2 transmitters

VarioTel2	art.-no. 28.205.0901
LumeroTel2	art.-no. 28.225.0901
MonoTel2	art.-no. 28.245.0901

2. Proline2 receivers

Combio-915 RevoLine	art.-no. 28.520.0906
Combio-915 JA	art.-no. 28.500.0906

have **an equality of structure** with following differences only:

1. Differences of Proline2 transmitters

- firmware versions of the microcontrollers
- different component placement of the PCB in accordance to the schematics/Part lists

2. Differences of Proline2 receivers

- firmware versions of the microcontrollers
- different cable connections in accordance to the part lists

This statement is valid until further written notice from Elero GmbH Antriebstechnik.

Sincerely yours,

**elero GmbH**
