Subject: Description of variants of products (FCC ID: YUB28445)

I confirm that the four variants of remote control (FCC ID: YBU28445) have identical internal circuitry. The schematic is same for all version of remote control. The version **VarioCom Slide** has all buttons and versions **VarioCom**, **LumeroCom**, **MonoCom Slide** and **MonoCom** have same schematic but without some buttons.
