Re: ID Label Location information
FCC ID: YCP-32WB1MMCH01
IC: 8976A-32WB1MMCH01

Dear Examiner,

We are asking for the permission from "STMicroelectronics SAS." to place the label for the product into the user manual and package instead of the exterior of the device, due to the dimensions of the "Wireless module" being extremely small.

Brand Name: STMicroelectronics (Rousset) SAS
Product name: STM32WB1MMC
Model name: STM32WB1MMC

FCC ID: YCP-32WB1MMCH01
IC: 8976A-32WB1MMCH01

HVIN: STM32WB1MMC

If you have any questions, feel free to contact us.

Regards,
