FCC Class II Permissive Change Request Letter

Date: Jan 10, 2016

To FCC:

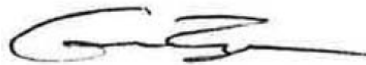

**RE: FCC Permissive II Change Request for Company: China Industries Ltd T/A Wow! Stuff
FCC ID: YCR-RFX-1001**

We are submitting an application for a class II permissive change to the FCC approval of the Company name: China Industries Ltd T/A Wow! Stuff, product description: RFX Racing system (FCC ID: YCR-RFX-1001, Original Grant Date: 07/08/2015). The transmitter module itself has not changed. Here are the changes:

Changes are made to the board layout (including component changes) near the Power supply circuit for product. So many of the data in the report is a refer to the previous report(report number:ATE20150918). We have added Radiated Spurious Emission Test and recorded in the report.

Sincerely,

Client's signature
