

DT Research, Inc.
Request for Class II Permissive Change

FCC ID: YE3600D

Date: 20191011

TO: Federal Communication Commission

Please be notified that we , the undersigned, DT Research, Inc. declare that the reasons for this Class II permissive change are as below:

Hardware of Module have not changed, factory use software to control module, tune down power, only factory can change power setup of software. And we will install this module into the host (mobile tablet, DT313)

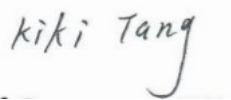

Thank you.

Sincerely.
