

Appendix D

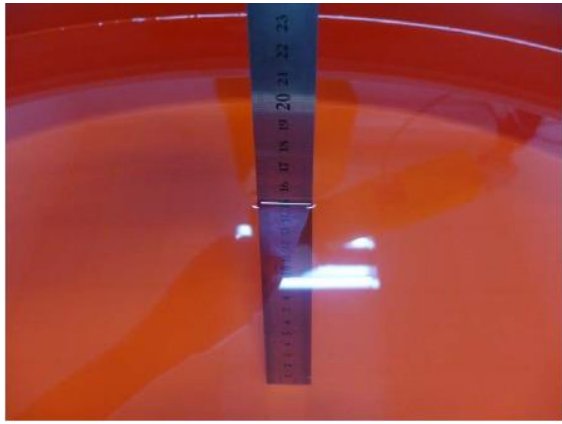

Photographs

1. SAR measurement System
2. Photographs of Tissue Simulate Liquid
3. Photographs of EUT test position
4. EUT Constructional Details

1. SAR measurement System

2. Photographs of Tissue Simulate Liquid

Photo 1: Tissue Simulant Liquid for Head 2450	Photo 2: Tissue Simulant Liquid for Head 5GHz
	

3. Photographs of EUT test position

<p>Photo 3: Bottom Face 0mm</p>	<p>Photo 4: Edge 1 0mm</p>
 <p>A photograph showing the bottom face of a black electronic device (EUT) resting on a white surface. The device is positioned between a white surface and a red surface above it. The device's bottom edge is in contact with the white surface.</p>	 <p>A photograph showing the right edge of the black electronic device (EUT) resting on a white surface. The device is positioned between a white surface and a red surface above it. The right edge of the device is in contact with the white surface.</p>
<p>Photo 5: Edge 2 0mm</p>	<p>Photo 6: Edge 3 0mm</p>
 <p>A photograph showing the left edge of the black electronic device (EUT) resting on a white surface. The device is positioned between a white surface and a red surface above it. The left edge of the device is in contact with the white surface.</p>	 <p>A photograph showing the top edge of the black electronic device (EUT) resting on a white surface. The device is positioned between a white surface and a red surface above it. The top edge of the device is in contact with the white surface.</p>
<p>Photo 7: Edge 4 0mm</p>	
 <p>A photograph showing the front edge of the black electronic device (EUT) resting on a white surface. The device is positioned between a white surface and a red surface above it. The front edge of the device is in contact with the white surface.</p>	

4. EUT Constructional Details

Details please Refer to Appendix -

Photographs of EUT Constructional Details for SZCR2104020558AT.
