

Model: TSSRE4A – User’s Manual

The device under test is manufactured by the grantee (Huf Hüsbeck & Fürst) and sold as an OEM product for motor vehicles. Therefore, we will not supply a separate user’s manual. Huf will supply this document to the reseller/distributor dictating what must be included in the end user’s manual for the vehicle.

INFORMATION TO BE INCLUDED IN THE END USER’S MANUAL

The following information must be included in the end user’s manual to ensure continued FCC and Industry Canada regulatory compliance.

+++++

FCC ID: YGOTSSRE4A
IC: 4008C-TSSRE4A

This device complies with Part 15 of the FCC rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:
(1) l'appareil ne doit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.
