

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1

EUT Housing and Board View 2

<p>Solder Board-Component View 1</p>	 A photograph of a small, rectangular printed circuit board (PCB) component, likely a solder mask or a small board component, placed on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 100 mm and its width around 20 mm. The component features several gold-colored pads and a central area with a different material, possibly a solder mask or a specific component.
<p>Solder Board-Component View 2</p>	 A photograph of the same small, rectangular printed circuit board (PCB) component, viewed from a different angle. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 100 mm and its width around 20 mm. This view shows the component's profile and the arrangement of gold-colored pads and components on its surface.
