

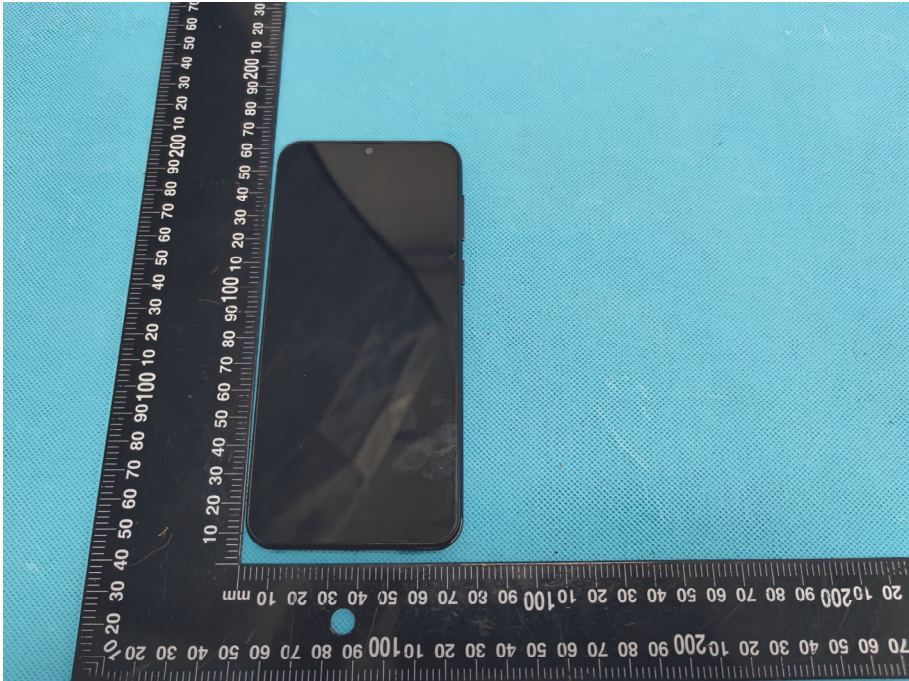

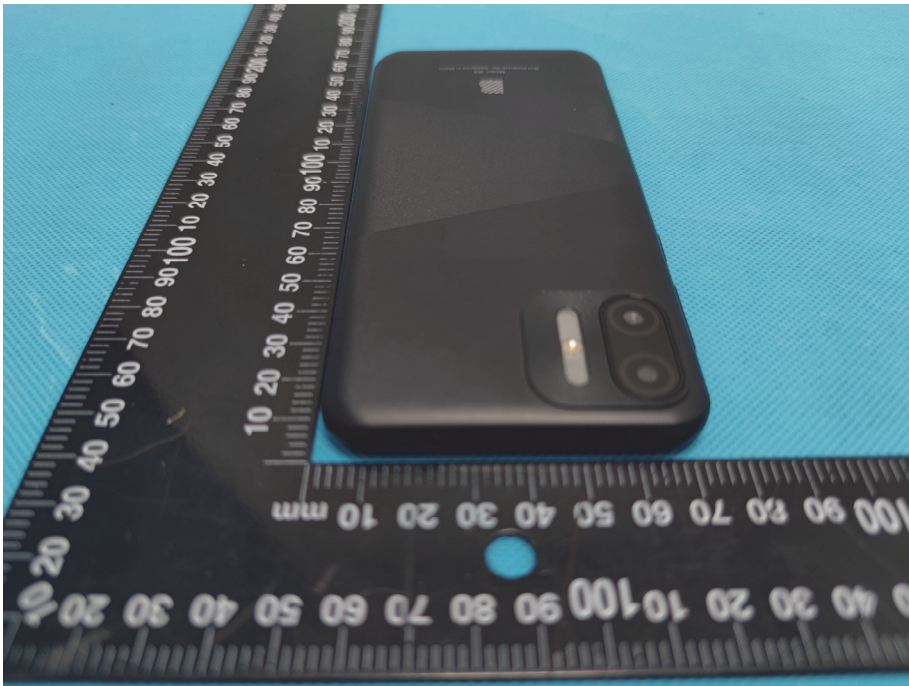

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A photograph showing a black smartphone, a black charging cable, and a black power adapter. The items are placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically on the left side of the frame, with markings from 0 to 100 mm. The smartphone is positioned vertically in the center, the charging cable is coiled to its right, and the power adapter is to the right of the cable. The power adapter has two gold-colored pins on its top surface.
<p>EUT View 2</p>	 A photograph showing a black smartphone placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically on the left side of the frame, with markings from 0 to 100 mm. The smartphone is positioned vertically in the center of the frame.

<p>EUT View 3</p>	 A photograph showing the back of a black smartphone. The phone is positioned vertically on a light blue textured surface. A black ruler with white markings is placed horizontally below the phone. The ruler shows measurements in millimeters and centimeters. The phone's camera lens and flash are visible at the top. A small logo and text are visible near the bottom of the phone's back cover.
<p>EUT View 4</p>	 A photograph showing the back of a black smartphone, similar to View 3. The phone is positioned vertically on a light blue textured surface. A black ruler with white markings is placed horizontally below the phone. The ruler shows measurements in millimeters and centimeters. The phone's camera lens and flash are visible at the top. A small logo and text are visible near the bottom of the phone's back cover.

<p>EUT View 5</p>	 A photograph showing the back of a black smartphone. The phone is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the phone, with the 0 mark at the top. The phone's camera module is visible on the right side, featuring two lenses and a flash. The ruler shows the phone is approximately 150 mm wide.
<p>EUT View 6</p>	 A photograph showing the back of a black smartphone, similar to View 5. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally below the phone, with the 0 mark on the left. The phone's camera module is visible at the bottom, featuring two lenses and a flash. The ruler shows the phone is approximately 150 mm high.
