

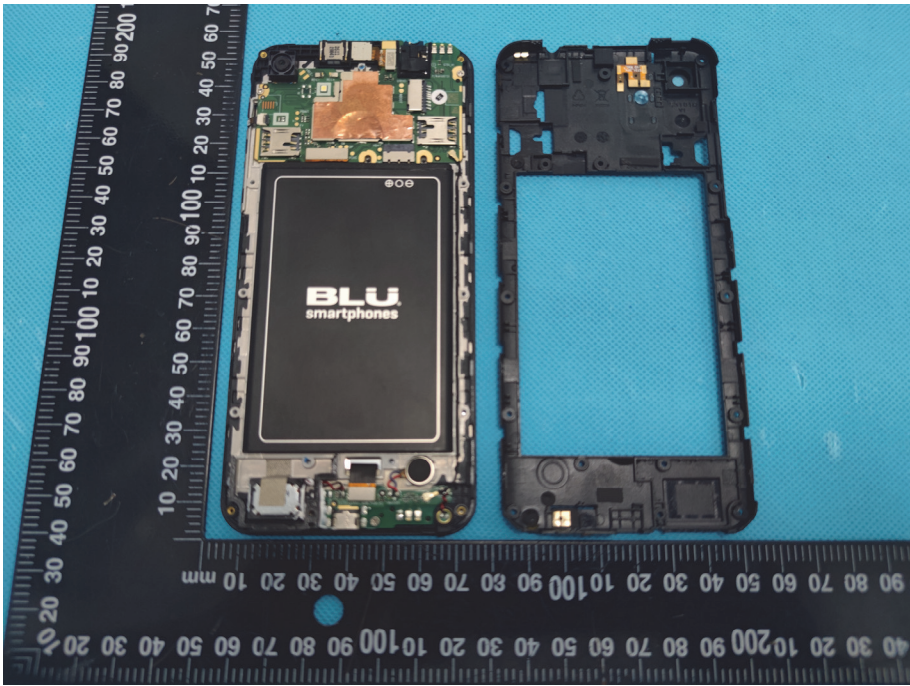

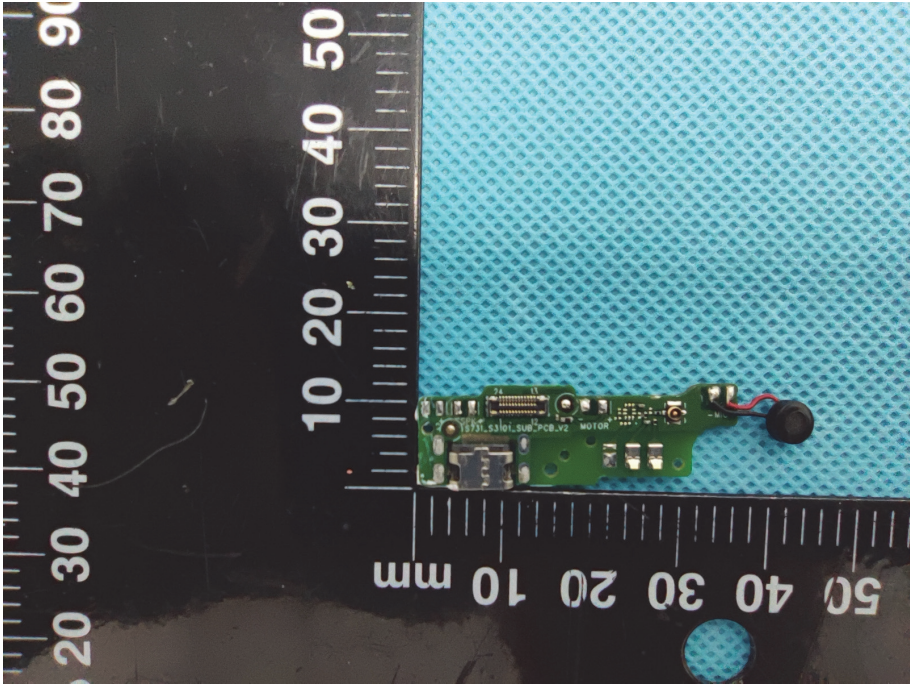

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

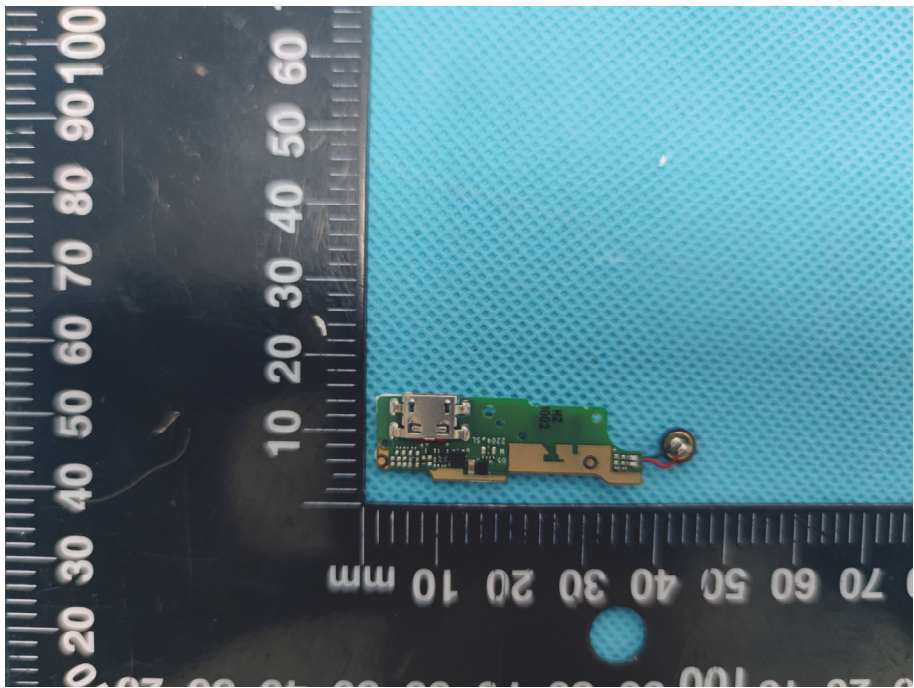

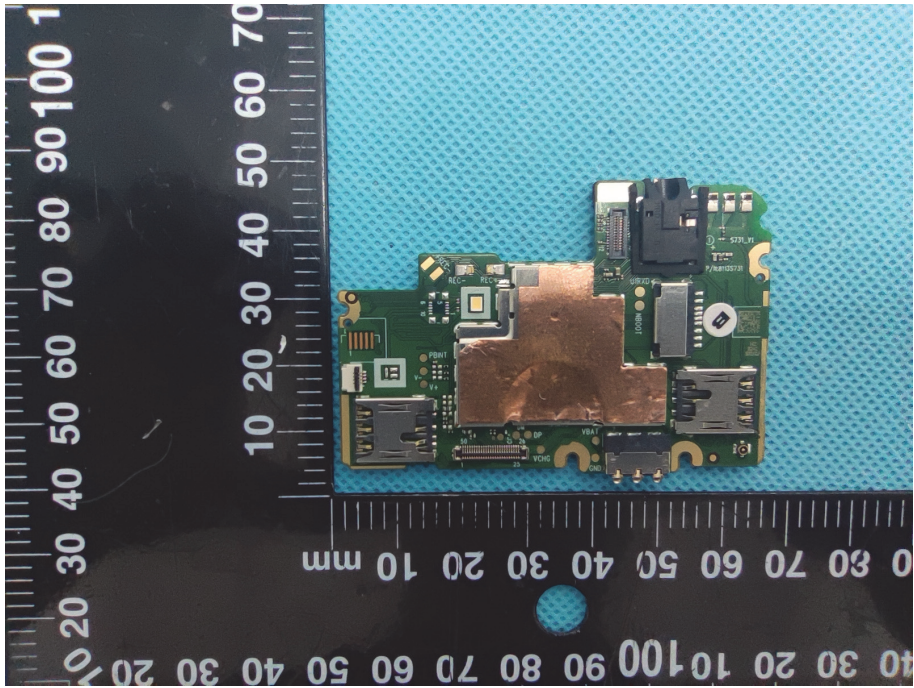

**EUT Housing and Board
View 1**

**EUT Housing and Board
View 2**

<p>EUT Housing and Board View 3</p>	 <p>A photograph showing the internal components of a smartphone, including the main board and the battery, next to a black ruler. The battery is labeled "BLU smartphones". The ruler shows measurements in millimeters, with the board and battery components positioned between the 100mm and 200mm marks.</p>
<p>Solder Board-Component View 1</p>	 <p>A close-up photograph of a small green printed circuit board (PCB) component, likely a vibrator motor, with a black circular component attached. The component is placed next to a black ruler for scale. The ruler shows measurements in millimeters, with the component positioned between the 40mm and 50mm marks. The PCB has some text printed on it, including "motor" and "vibrator".</p>

<p style="text-align: center;">Solder Board-Component View 2</p>	 A photograph showing a small green printed circuit board (PCB) component with a USB connector and a small circular component. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component positioned between the 10 mm and 60 mm marks.
<p style="text-align: center;">Solder Board-Component View 3</p>	 A photograph showing a larger green PCB component with various connectors and components. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component positioned between the 10 mm and 70 mm marks.
