Columbia, MD 21046

Dear Sir or Madam:

The RF chip, model SR3131, installed in product Mobile phone with FCC ID: YHLBLUKSHR.
This chip can support/enable GSM 850, PCS 1900 and WCDMA 850/1900. But this mobile phone
has no WCDMA 1900 duplexer in the main board, so it cannot support WCDMA 1900.

Best Regards,

Signature 

Jones Chen
