Brand Name : Masterbuilt

FCC ID : YHXM B20040220

IC : 10640A-MB20040220

Declaration of different			
Appearance	Model	Differences within series	Differences between series
	MB20040220	560 GF EU/UK/AU/NZ (The product structure and design are the same, only representing different shipping regions)	The differences between 560 GF and 1050 GF are that the grilling area and shape are different. The controller and the amount of charcoal are exactly the same.
	MB20043020		
	MB20043120		
	MB20041021		
	MB20041121		
	MB20041220	1050 GF EU/UK/AU/NZ (The product structure and design are the same, only representing different shipping regions)	
	MB20041420		
	MB20041421		
	MB20041521		
Two limit switches for all models. Both functions are the same, but the producers are different.			

Sincerely,

Company: Masterbuilt Manufacturing, LLC.
