

Hot Sales Outdoor Lora 915mhz Omni 8dBi Fiberglass Antenna N Male

Model: EA2-0287-N01SP-050

Shenzhen Superbat Electronics Co., Ltd.

Address: 7F Comprehensive Building, Jiang Hao Industrial Park, Ji hua Rd,
Ban tian Longgang District, Shenzhen, Guangdong, China 518129

TEL: +86 755 25614980

Specification:

Frequency: 860-930mhz

Gain: 8dBi

Antenna Connector Type: N-type Male

Antenna Length: 13.7inch/35cm

VSWR: ≤ 2

Polarization: vertical

Impedance: 50 Ohm

【Application】 - Compatible with Nebra HNT Outdoor Hotspot Miner, designed for LoRa Helium miner, Low power radio: Sigfox, LPWA, LoRa, mesh networks, IoT

【Frequency Range】 - This antenna works perfectly in the range of 902-928mhz

【Increase Signal Strength】 - Inner Copper Oscillator, 8dBi Gain, Omnidirectional, Long Range, Lower VSWR

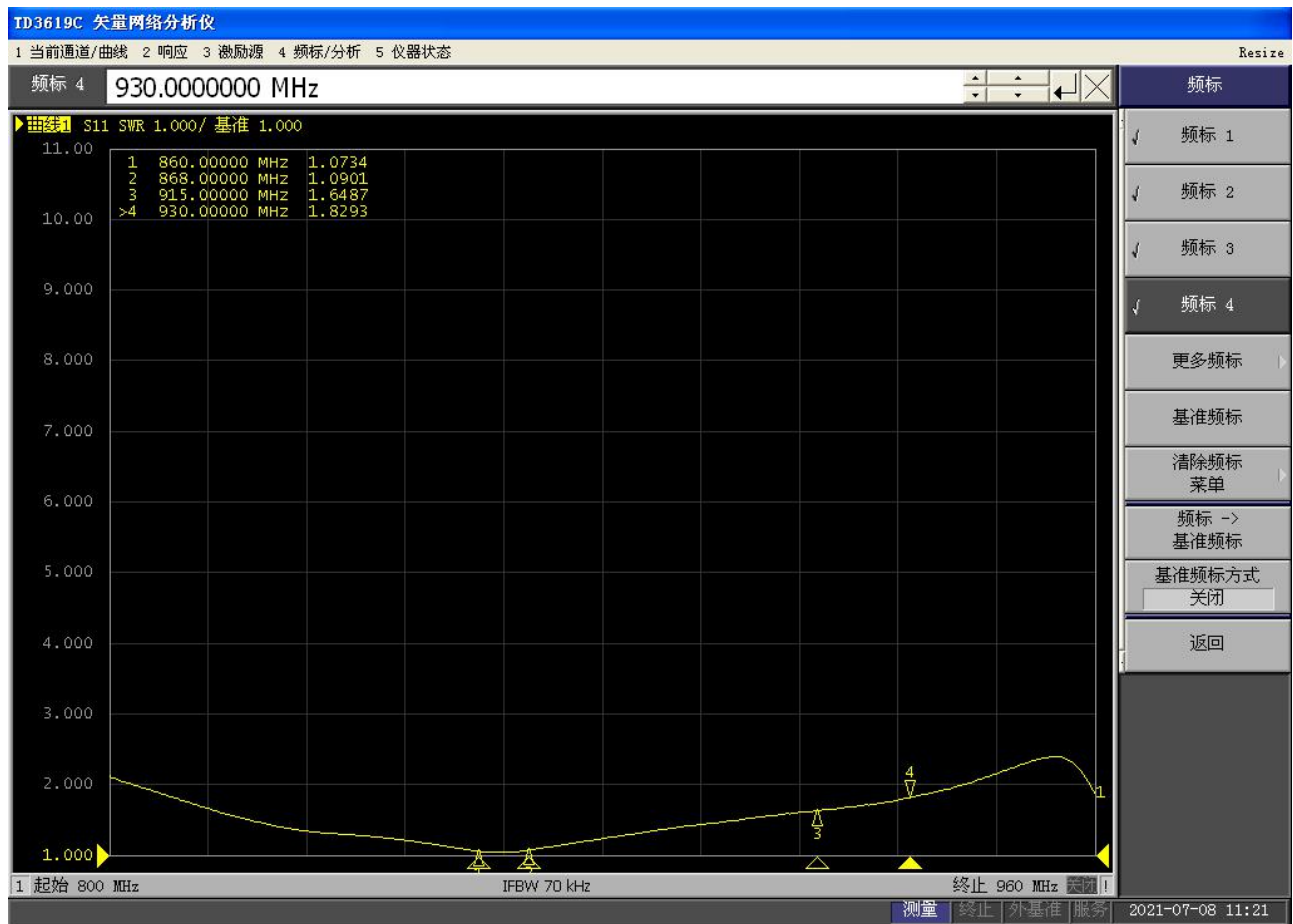

【Durable】 - Outdoor full day working, anti corrosive, waterproof, easy to install

Shenzhen Superbat Electronics Co., Ltd.

Address: 7F Comprehensive Building, Jiang Hao Industrial Park, Ji hua Rd,
Ban tian Longgang District, Shenzhen, Guangdong, China 518129
TEL: +86 755 25614980

【Aluminum Alloy Base】 - The Base is perfectly made of aluminum and firm enough to against strong wind.

Test datasheet
