

## APPENDIX B – FCC LABEL & LOCATION

### A. Information to be displayed

1. The information that will be displayed on the e-label and information that will remain in the user manual is shown below:

Information	on E-label	In Manual
FCC ID number	YIY-PROD08422	
DoC logo	 Included	
15.19 statement (“This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”)	Included	Included
Class A / B Digital Device user manual statements <sup>1</sup>	-	Included
DoC declaration <sup>1</sup>	-	Included
Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment <sup>1</sup>	-	Included
Describe any other FCC regulatory information included in e-label <sup>1</sup>	Contains FCC ID: XF6-RS9110N1103	
<sup>1</sup> If the e-label includes information typically included in the manual then the e-label shall clearly differentiate between information required to be on the device's surface and information required to be in the manual – refer to 784748 D02 e labelling v01 section II D 3(b)		

Images of the e-label screen are provided below:

This document shall not be reproduced, except in full

This report is issued within the scope of A2LA accreditation #2765.02.

Accredited for compliance with ISO / IEC 17025.  
 Approval Specialists Pty Ltd (ACN: 094 656 354) Trading as Austest Laboratories  
 2/9 Packard Avenue, Castle Hill NSW 2154 Australia Ph: +612 9680 9990

#### **B. Access to the required information on the e-label**

1. Users are able to access the information in no more than three steps in a device's menu. The actual steps are:

1. Select  at the bottom of the screen
2. Select 'CERT' Tab across the top of the screen

No special access codes or permissions are required to go through the above steps beyond entering a user-defined password to protect against unauthorized access to the device.

2. The information is stored on the device, no special accessories or supplemental plug-ins (e.g., a SIM/USIM card) are required to access the information.

3. Users are provided specific instructions on how to access the information. The information is provided in the

- CAS-GPS User Manual
- Page 29

#### **C. Labeling for Importation and Purchasing**

Products utilizing e-labels are required to have a physical label on the product at the time of importation, marketing and sales. For devices imported in bulk and not packaged individually, a removable adhesive label or, for devices in protective bags, a label on the bags is acceptable for this purpose. Any removable label shall be of a type intended to survive normal shipping and handling and must only be removed by the customer after purchase. For devices imported already in individual packages ready for sale, the information may alternatively be provided on the package. It shall contain:

1. The FCC ID and/or the DoC logo (if applicable); and
2. Any other information required by specific rule to be provided on the surface of the product unless such information is permitted to be included in the User's manual or other packaging inserts.

The Packaging contains the following information on the label:

- 
- FCC ID: YIY-PROD08422
- Contains FCC ID: XF6-RS9110N1103
- *This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.*

#### **D. Other considerations**

1. The above information must be programmed by the responsible party and the information must be secured in such a manner that third-parties cannot modify it.

- Information is embedded in the system, and not user configurable.

2. All the applicable regulatory information required on the packaging or user instructions must be provided according to the rules even if it is displayed electronically. For example, hearing aid compatibility (HAC) ratings for the phones as specified in 47 C.F.R. § 20.19.

- Other information may be found in the CAS-GPS User manual on page 29
