

GENERAL INSTRUCTIONS

- Supplier to insure correct revision level drawing for production. Contact SBD Purchasing Dept. for latest revision level drawing.
- Contact SBD Graphics Design for original artwork, color standards and corporate guidelines.
- Proofs of all revisions that affect artwork and all new color formulations must be submitted to SBD Graphics Design for approval prior to making production parts. See "EP-1006".
- Supplier to provide SBD Graphics Design Group with 6 samples of all production parts. Mark SBD Part No. and revision level.
- All materials must comply with StanleyBlack&Decker engineering specifications document number "ES100118". Copies of this document may be obtained from the StanleyBlack&Decker purchasing agent that has placed the purchase order with your company.
- Artwork pictured on this drawing is for reference purposes only. Where variations between drawing and original artwork exist, the Illustrator artwork file is the controlling document for graphical representation only. This drawing controls dimensions and specifications.
- Shipments must include material traceability documentation per ES100135.
- See WRD1 Document for Compliance Requirements and Supplier Information. (sheet 2 of 2)
