To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the Block Diagram, Schematics, and Operation Description/Theory of Operation required to be submitted with this application be permanently withheld from public review.

We have expended substantial effort in developing this product. Having the subject information easily available to "competition" would negate the advantage we have achieved by developing this product. Not protecting the details of the design will result in negative financial impact.
