RE: ACB Application ATCB017437

To Whom It May Concern:

This letter is to help clarify the intent of this limited modular filing to the ACB reviewer. This application is being submitted under two company names, which are both divisions of a larger company. The module itself and test report are exactly the same for both companies.

Please note the FCC and IC ID numbers that have been requested:

FCC Application:

Company Name: Stanley Black & Decker.

Model: TLCKMAJD

FCC ID: YJ7TLCKMAJD

IC Application:

Company Name: Stanley Black & Decker Canada Corp.

Model: TLCKMAJD

IC: 9082A-TLCKMAJD

Please let us know if you need further clarification.
