Attn: Reviewing Engineer
Office of Engineering and Technology
Federal Communications Commission

Dear Sir or Madam,

In accordance with FCC rule CFR 47 0.457 and 0.459, Vesper Marine Ltd requests the confidentiality of the following technical documents and requests they be withheld from public view:

- Schematic diagrams
- Parts List
- Operational Description
- Tune up procedure
- Block Diagrams

These documents contain proprietary technical information developed by Vesper Marine Ltd which we deem to be trade secrets.

Please contact me directly if you require any further information to regarding this request. I can be contacted via email at carl@vespermarine.com or by phone at +64 9 950 4848.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Carl Omundsen". The signature is fluid and cursive, with a long horizontal stroke at the end.

Carl Omundsen
Product and Engineering Manager
