JAN - 5 2011

Mr. Andy Leimer
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Dear Mr. Leimer:

We have received the Sandia Aerospace Corporation letter, notifying us of the Federal Communications Commission (FCC) certification application of STX 165 Transponder; model number STX 165, with FCC ID No. YJL-DAFJDX dated January 05, 2011. We have completed the subject review and have "No Objection" to the FCC certification of this STX 165 transponder to operate in 1030 MHz -1090 MHz band, within the United States National Airspace.

If you require any additional information, please contact Ms. Annette Allender, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-3893.

Sincerely,

 Robert A. Frazier
Manager, Spectrum Planning and
International Group
