IMPORTANT SAFETY INSTRUCTIONS

For your own safety please read the following important instructions carefully before using these earphones and their charging case. They will also enable you to get the best performance from the product and also prolong its life.

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not immerse these earbuds in water or let the charging case come into contact with water.
6. Clean only with a dry or slightly damp cloth.
7. Refer all servicing to qualified service personnel.

MAINTAINING BATTERY LIFE

Recharge all batteries at least every two months to keep them in optimal condition. Leaving batteries discharged will reduce both their life and capacity.

SAFETY WARNINGS:

WARNING: To prevent possible hearing damage, do not listen at high volume levels for long periods.

- Listening at high levels for prolonged periods may cause permanent hearing damage. Always check volume level before inserting these earphones in your ears.
- To turn off Bluetooth transmission on your earphones, return them to the charging case.
- These earphones and their case contain components that emit electromagnetic fields. They also contain magnets. These electromagnetic fields and magnets may interfere with pacemakers, defibrillators, or other medical devices. Maintain a safe distance of separation between your medical device and your earphones and their case. Consult your
