Re: Request for confidentiality
FCC ID: YL6-143630T

To whom it may concern,

We hereby respectfully request that under the provision of 47 CFR 0.459 and 0.457(d) the documents listed below and attached with this application for certification be provided with confidential status.

Table with 3 columns: Type of Confidentiality Requested, Exhibit, and checkboxes for Short Term and Permanent confidentiality.

Alarm.com Incorporated ("Alarm.com") has spent substantial effort in developing this product, and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

The documents listed above for Permanent Confidentiality contain trade secrets that are treated as confidential by us. Substantial competitive harm to us could result should they be made available to the public.

Any exhibit / information for which we have requested confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

Sincerely,
