To whom it may concern:

This letter is to inform you that we, 7signal Solutions, Inc., are requesting Change in FCC ID for the new certification, FCC ID: TK4WLE900VX. The device to be certified under FCC ID: YLFSE2100WL is identical in design and construction to the originally approved product.

In order to ensure continued compliance of the product, we have employed the following:

The product is still manufactured by the same company using the same design specifications as the original.

The same PCB design, layouts and parts list will be used to manufacture the product.

We have a product sampling program which will retest the product every 12 months to ensure compliance of the product through regular testing.

Sincerely,

Veli-Pekka Ketonen
Founder and Chief Technology Officer
