PER: 47 FCC 2.933 Change in Identification of Equipment

Dear Sir or Madam:

Utility Communications, Inc. is submitting an application for a Change in Identification of Equipment to the:
Spectra Engineering PTY LTD, MX800-Base Station, FCC ID: OKRMX800TRV.
The commission on November 23, 2011 originally certified this product under FCC ID: OKRMX800TRV.

Utility Communications, Inc. has received approval from Spectra Engineering PTY LTD allowing for this Change in Identification. (Spectra Engineering PTY LTD Letter attached to this request)

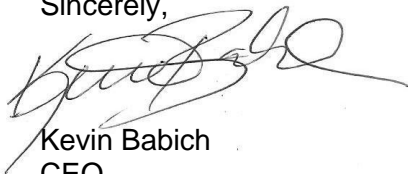

The only difference between the equipment originally certified under Spectra Engineering PTY LTD, FCC ID: OKRMX800TRV and the equipment being submitted under this application from Utility Communications, Inc., FCC ID: YMN-UTR1600 would be the front panel and the front panel artwork.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

New label photos will be uploaded with this request

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

Kevin Babich
CEO
Utility Communications, Inc.
