Operational Description

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the applicant and provide unjustified benefits to its competitors.

Pursuant to DA 04-1705 of the Commission's public notice, we also request **short-term confidential treatment** for the following information until **180 days** after the Grant Date of Equipment Authorization in order to ensure sensitive business information remains confidential until the actual marketing of the device:
