## STATEMENT

I, the undersigned eSky Wireless Inc. (company) now declare that ES110 does not need to do PART15B certification.

Even though ES110 has a USB port, but the port is only used for factory commissioning and software upgrading, and enduser cannot use it.

I ensure that the above statement is the presentation of my true meaning. I shall bear any economic and legal responsibility arising from any violation of the statement

A handwritten signature in black ink, appearing to be the Chinese characters "黄平" (Huang Ping).
