**SUBJECT:** Cover letter

Dear Sir,

In product qualification VR-124 Sorin CRM business we judge that modifications on product VR-9250 don't require a full qualification. Indeed, Electronic, radio parts & embedded software are exactly the same between the two models. The major difference between "SORIN INTENSIA — VR 124 & SORIN PARADYM RF — VR model 9250" is the radiated header.

So, tests results for "SORIN INTENSIA — VR 124" are retrieved from "SORIN PARADYM RF —VR model 9250" (FCC ID YSGVR9250) test report N°112624-622708-P-Cr2012-10-22.

Yours faithfully,

**Technical Manager**

**Julien BOUTAUD**
