Permanent Confidentiality Request

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this Application as outlined below:

Schematics
Block Diagram
Operational Description
Internal Photos
Part List
Tune-up Procedure

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

We respectfully request permanent confidential treatment for internal photos. Internal components are enclosed in epoxy to keep trade secrets of the design confidential in perpetuity. These internal components are not serviceable. Internal photos are not released to any external party except on a need to know basis and with a non-disclosure agreement (NDA) with trade secret clauses in place. Purchasers of the device are required to sign an NDA. Refer to the attached example NDA, which should be kept confidential for this certification application.

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application.
