Request for Class II Permissive Change

November 5, 2015

Federal Communication Commission
Equipment Authorization Division
Application Processing Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

FCC ID : YSKXW1
Applicant : Olympus Corporation

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: YSKXW1, originally granted on February 5, 2014.

We changed the following points from the original model.

- The difference of Host Model
- The difference of Company name (Previous name : Olympus Imaging Corp.)

Please refer to attached "Theory of Operation-Differences" for details of the difference of Host Model.

Meanwhile we submit the following documents related to this change. There is no change before and after change except for these documents.

<input checked="" type="checkbox"/>	Test Report (Comparison data)
<input type="checkbox"/>	External Photo
<input type="checkbox"/>	Internal Photo
<input type="checkbox"/>	User Manual
<input checked="" type="checkbox"/>	Label
<input type="checkbox"/>	Block Diagram
<input checked="" type="checkbox"/>	Theory of Operation
<input type="checkbox"/>	Schematic Diagram
<input type="checkbox"/>	Parts List

* Label will be changed to new label as running changes after no stock of the current label.

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely,

Hrioyuki Kaneko
