RE: CONFIDENTIALITY REQUEST FOR (Hearing Aid/Personal Sound Amplifier
Model HD100 with FCC ID: YW6HD100)

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that Model HD100 required to be submitted with this application be permanently withheld from public review. Please withhold these documents;

BOM
Block Diagrams
Theory of Operation/Technical Description
PCB Views and Schematics

The documents submitted with this application are proprietary information that, if possessed by our competitors, would easily identify how we developed and manufactured our products at very high quality and very low cost. The extension of this information would quickly effect our sales and market share.

Please contact me if there is any information you may need.

Sincerely,

Michael Kilhefner
Vice President of Operations
