Gentlemen:

Alpha – High Theft Solutions, A Division of Checkpoint Systems, Inc. respectfully requests confidentiality of certain materials provided with the submission of the HB CableLok under FCC ID: YWZ-HBCLK in accordance with FCC Regulations 0.459. The confidentiality request applies to the listed exhibits below contained in this filing and included in the following files.

Type of Confidentiality Requested		Exhibit
<input type="checkbox"/> Short Term	X Permanent	Block Diagrams
X Short Term	<input type="checkbox"/> Permanent	Internal Photos
<input type="checkbox"/> Short Term	X Permanent	Operation Description/Theory of Operation
<input type="checkbox"/> Short Term	<input type="checkbox"/> Permanent	Tune-Up Procedure
<input type="checkbox"/> Short Term	X Permanent	Schematics
X Short Term	<input type="checkbox"/> Permanent	User's Manual

The HB CableLok has been developed at considerable effort and expense by Alpha – High Theft Solutions, A Division of Checkpoint Systems, Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Lee Eckert", written over a large, loopy blue ink scribble.

Lee Eckert
Director of New Product Development
