INFORMATION TO WHOM IT MAY CONCERN

YYG-411-0002 - RESULTS APPLICABILITY DECLARATION

We, SRT Marine Technology Ltd of Wireless House, Westfield Industrial Estate, Midsomer Norton, Bath, BA3 4BS, England represent and declare under responsibility for em-trak Marine Electronics Ltd of Forum 3, Parkway, Solent Business Park, Whiteley, Hampshire, PO15 7FH, United Kingdom hereby declare that the product em-trak B100, being a Marine AIS CSTDMA Class B Transponder, to which this declaration relates, is a COBALT 011-0014 Module placed inside of an enclosure acting as a host, for which we give full permission for em-trak to use all reports of COBALT 011-0014.

All testing on COBALT 011-0014 were taken with serial cabling and interfaces being un-shielded and grouped together resulting in a representation of the worst case being tested. The COBALT module is RF shielded.

All reports for COBALT 011-0014 are applicable to the device em-trak B100, due to the device em-trak B100 being a COBALT 011-0014 module being placed inside of a RF transparent enclosure with the same serial ports as represented during test of COBLAT 011-0014 and the same RF shielding over all circuitry.

The following reports are applicable for FCC IS: YYG-411-0002

75912008 Report 06 Issue 1
75912008 Report 07 Issue 1
75912008 Report 08 Issue 1
