

Test setup photos of EUT

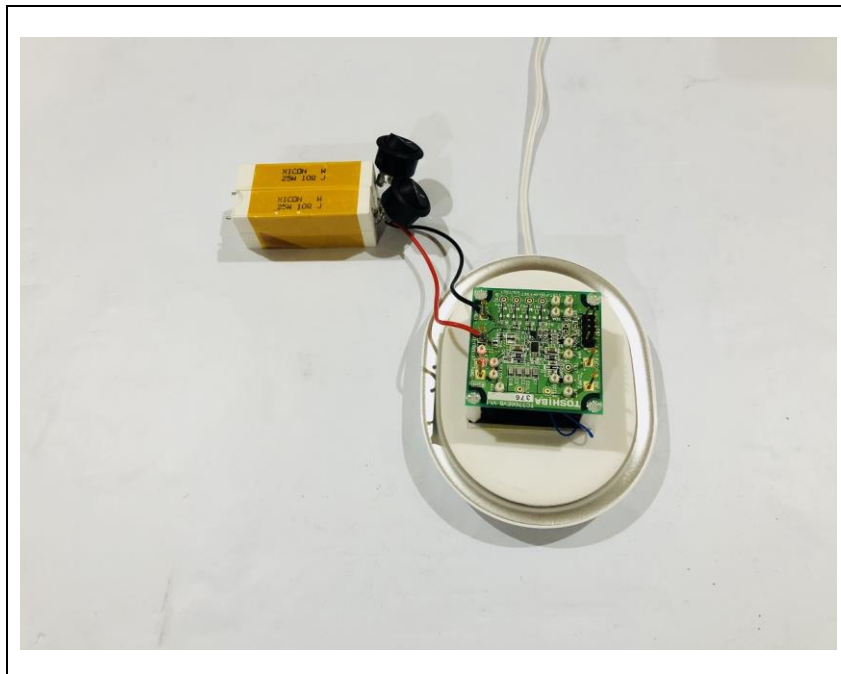

1. Test mode of EUT

- The testing was set in the below orthogonal plane and measured.

A. 5 W

B. 15 W

2. Photo of Radiated Spurious Emission Test (Below 30 MHz)

A. 5 W

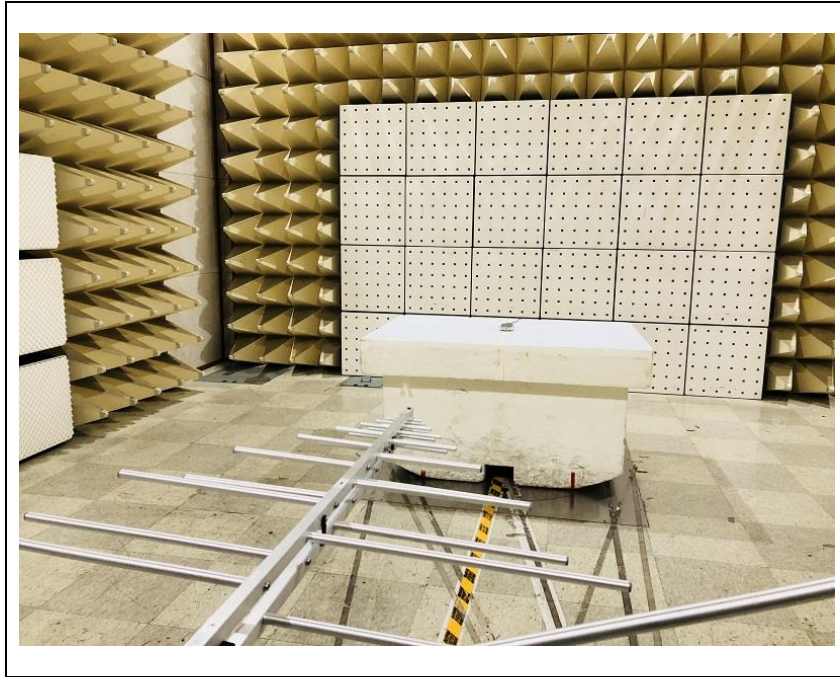

B. 15 W

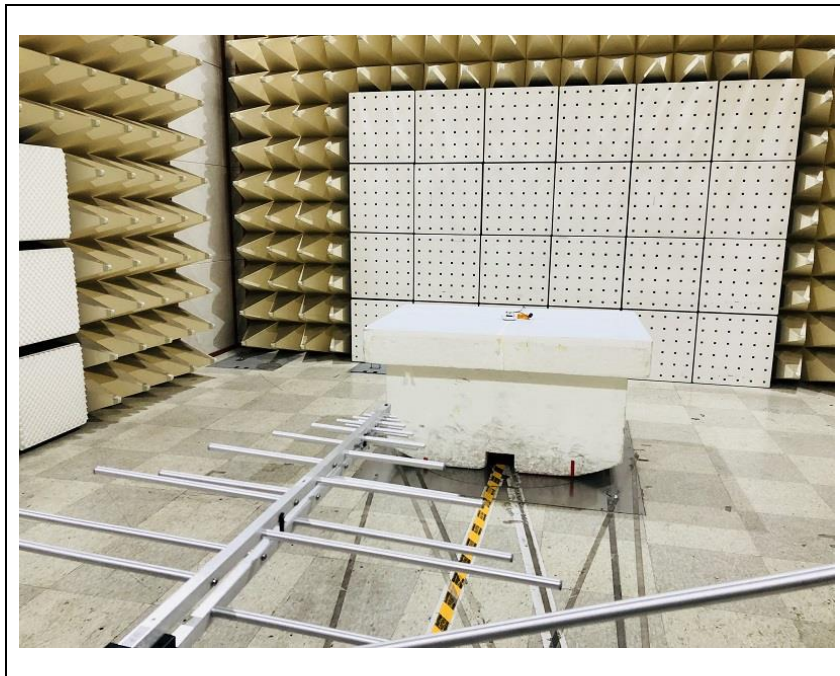

3. Photo of Radiated Spurious Emission Test (Above 30 MHz)

A. 5 W

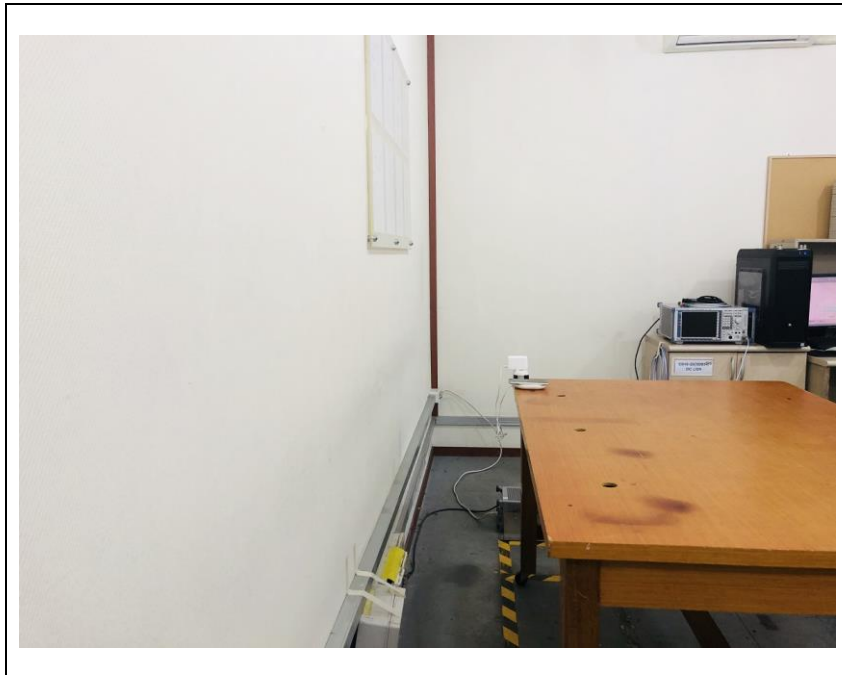

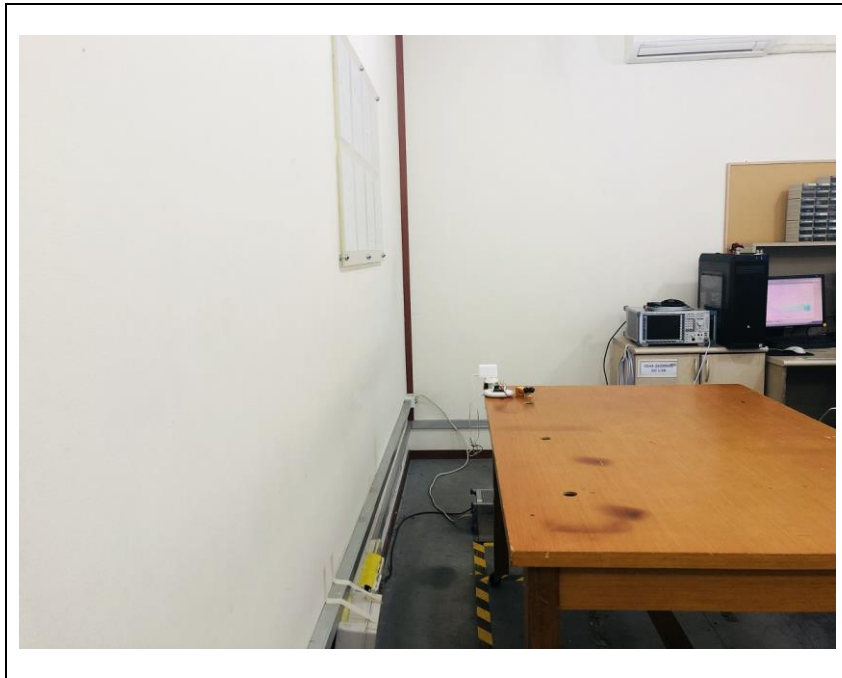

B. 15 W

3. Photos of AC Power line emission test

A. 5 W

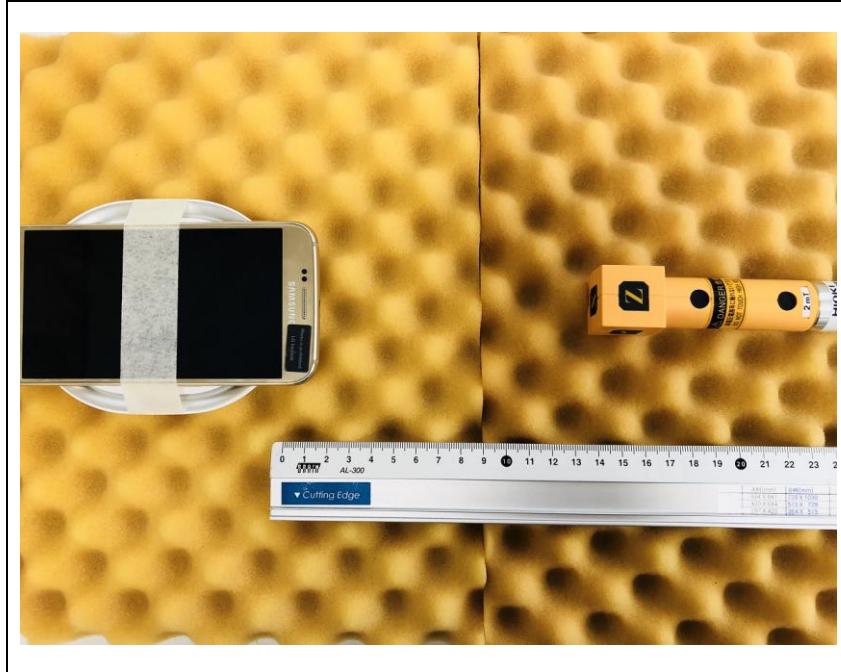

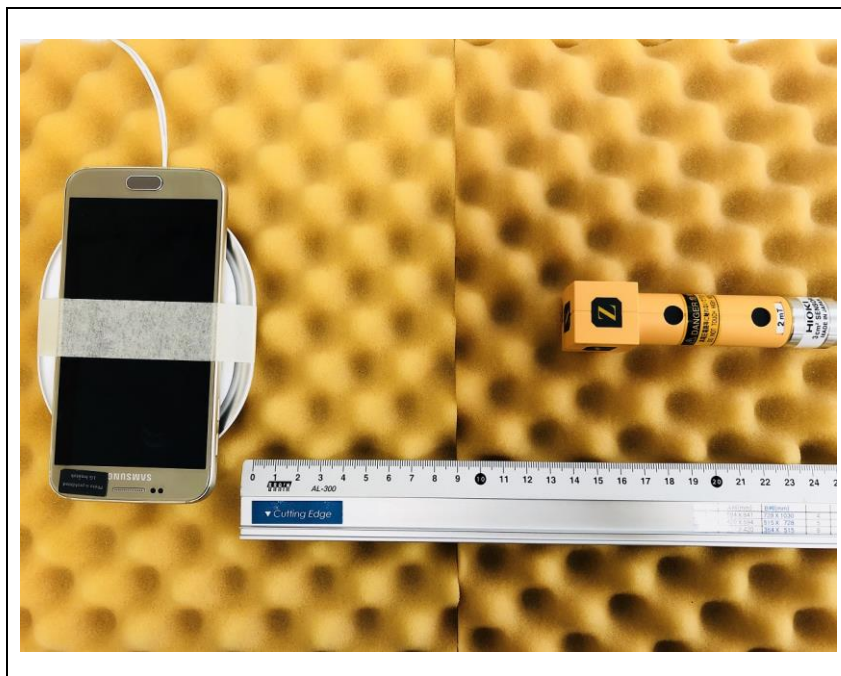

4. Photo of MPE Test Set up (B-field)

A. 5 W
