

Proposed FCC Label Format:

The image shows a proposed FCC label for a Grandstream device. The label is black with white text and icons. At the top left is the Grandstream logo with the tagline "Innovative IP Voice & Video". To the right of the logo, the model number "Model:GXV3674_FHD_VF" and the power input specification "Input:+12V = 1A" are listed. Below this, a paragraph of text states: "This device complies with part 15 of the FCC rules, Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation." Underneath the text are four icons: the CE mark, a circular icon with an 'e' and a checkmark, a circular icon with a checkmark, and a crossed-out trash can icon. At the bottom left, the FCC ID "FCC ID:YZZGXV3674-FHD" is printed, and at the bottom right, "Made in China" is printed.

Grandstream
Innovative IP Voice & Video
