

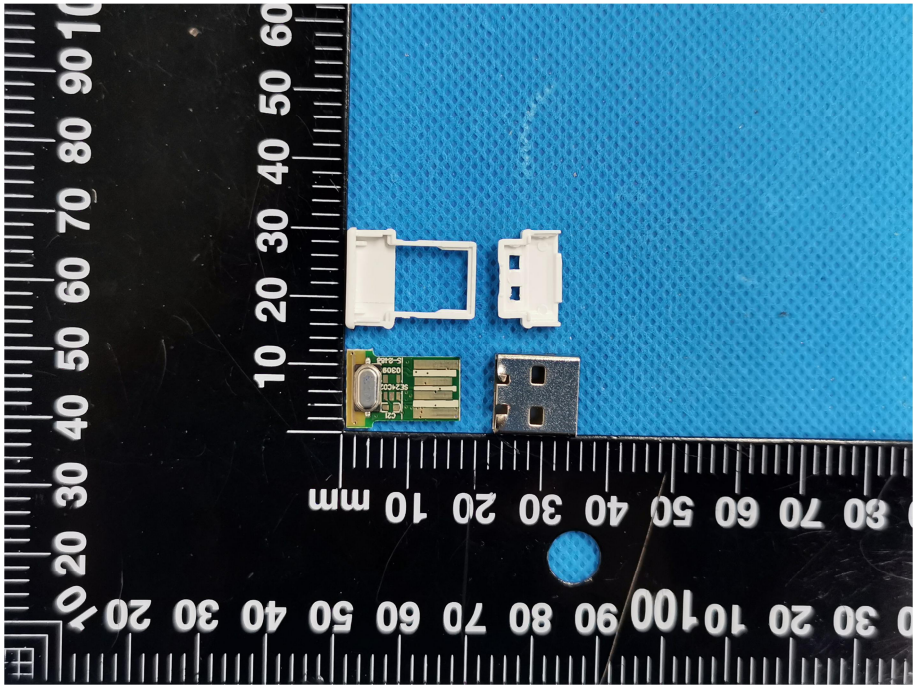

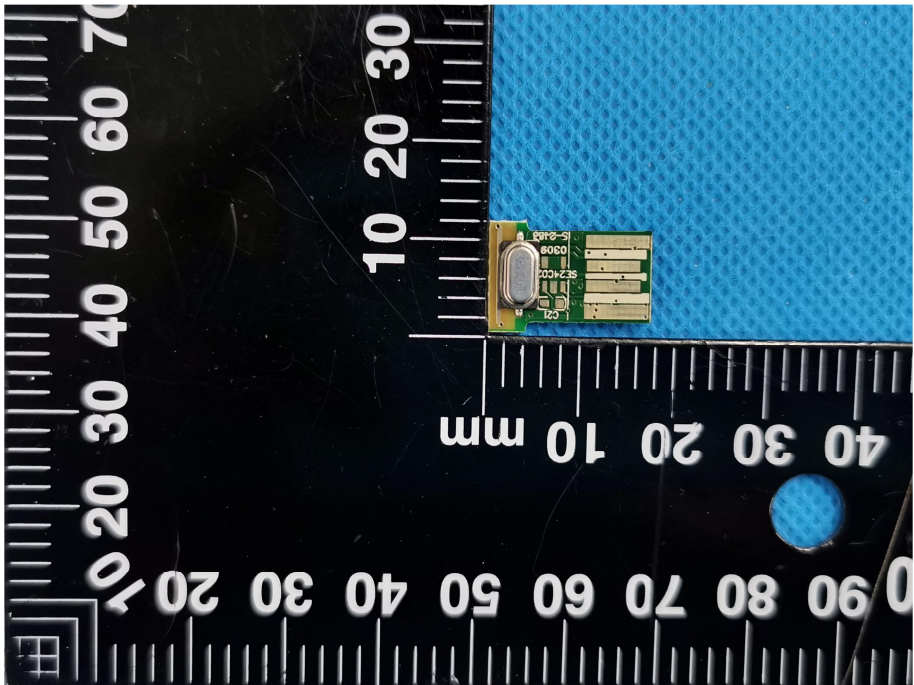

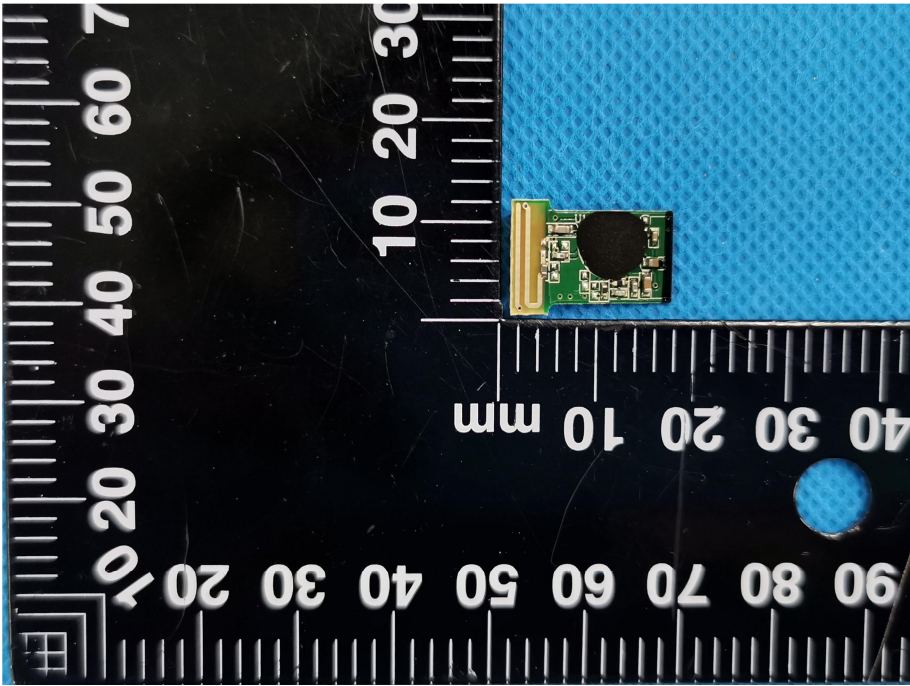

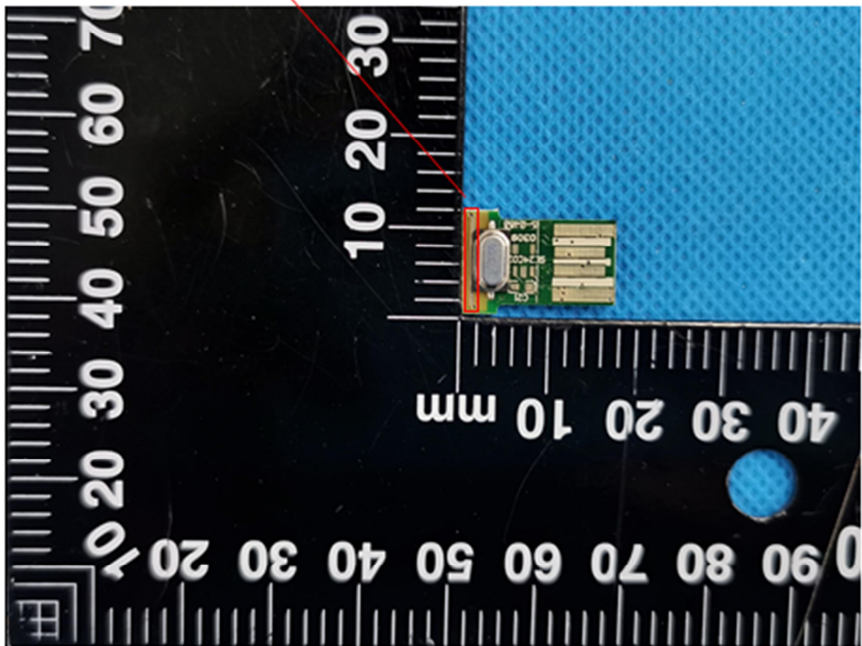

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p><b>EUT Housing and Board View 1</b></p>	 <p>This photograph shows four components of the EUT housing and board. From left to right, there is a small green PCB with a silver component, a white plastic component, a white plastic component, and a silver metal component. A black ruler with white markings is placed below the components for scale. The ruler shows markings from 0 to 100 mm. The background is a blue textured surface.</p>
<p><b>Solder Board-Component View 1</b></p>	 <p>This photograph is a close-up view of a component soldered onto a green PCB. The component is a small green PCB with a silver component. A black ruler with white markings is placed below the component for scale. The ruler shows markings from 0 to 100 mm. The background is a blue textured surface.</p>

<p style="text-align: center;"><b>Solder Board-Component View</b> 2</p>	 <p>A photograph showing a small green PCB component mounted on a blue textured surface. The component is positioned on a black background with a white millimeter ruler. The ruler shows markings from 0 to 70 mm vertically and 0 to 90 mm horizontally. The component is approximately 10 mm wide and 15 mm high. A red line points from the component to the label '2.4G Antenna' in the adjacent view.</p>
<p style="text-align: center;"><b>Antenna View</b></p>	 <p>A close-up photograph of the component from the previous view. A red box highlights the top-left corner of the component, with a red line pointing to the label '2.4G Antenna'. The ruler markings are visible, showing the component's position relative to the scale.</p>
