

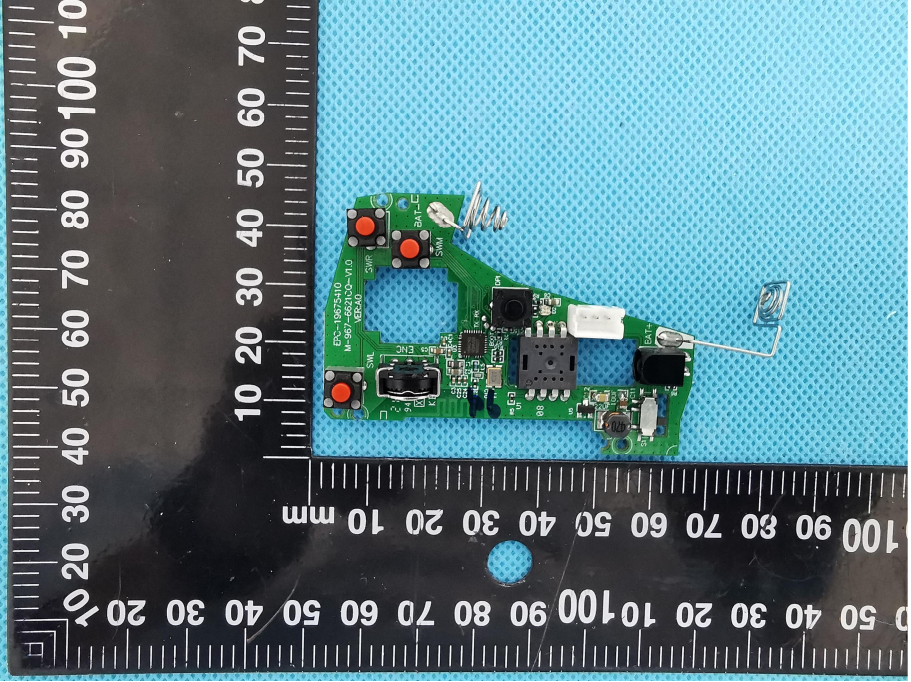

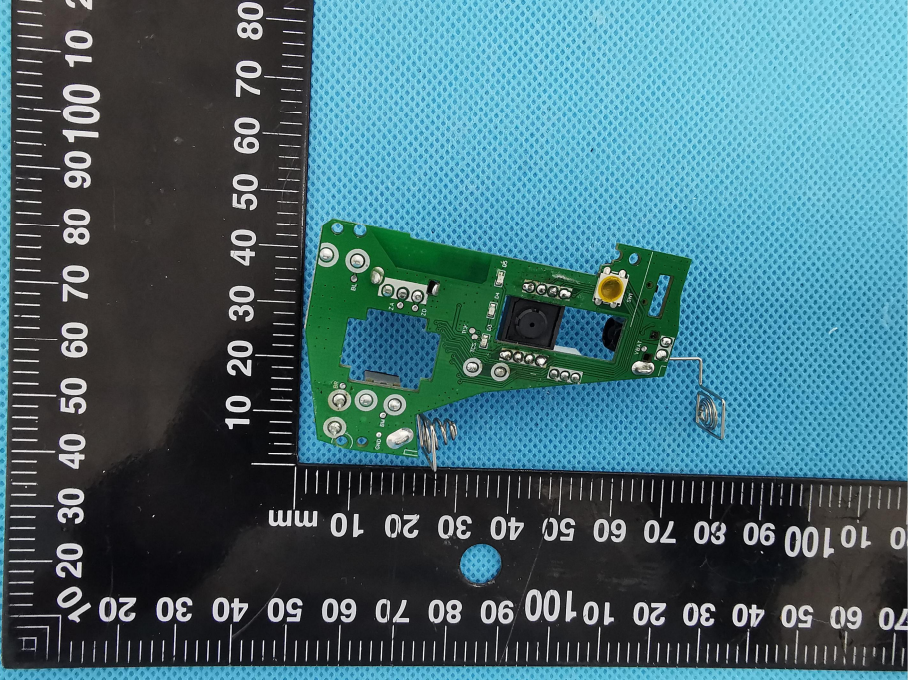

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

| | |
|---|---|
| <p style="text-align: center;">Solder Board-Component View 1</p> |  <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The board is irregularly shaped and populated with various electronic components, including a large black integrated circuit (IC), several resistors, capacitors, and a small antenna. The board is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the board, showing measurements in millimeters from 0 to 100. The board's length is approximately 100 mm, and its width is about 40 mm.</p> |
| <p style="text-align: center;">Solder Board-Component View 2</p> |  <p>A photograph of the same green PCB component, labeled 'Solder Board-Component View 2'. This view shows the reverse side of the board, revealing the solder joints and the underside of the components. The board is placed on the same blue textured surface. A black ruler with white markings is positioned horizontally below the board, showing measurements in millimeters from 0 to 100. The board's length is approximately 100 mm, and its width is about 40 mm.</p> |
