

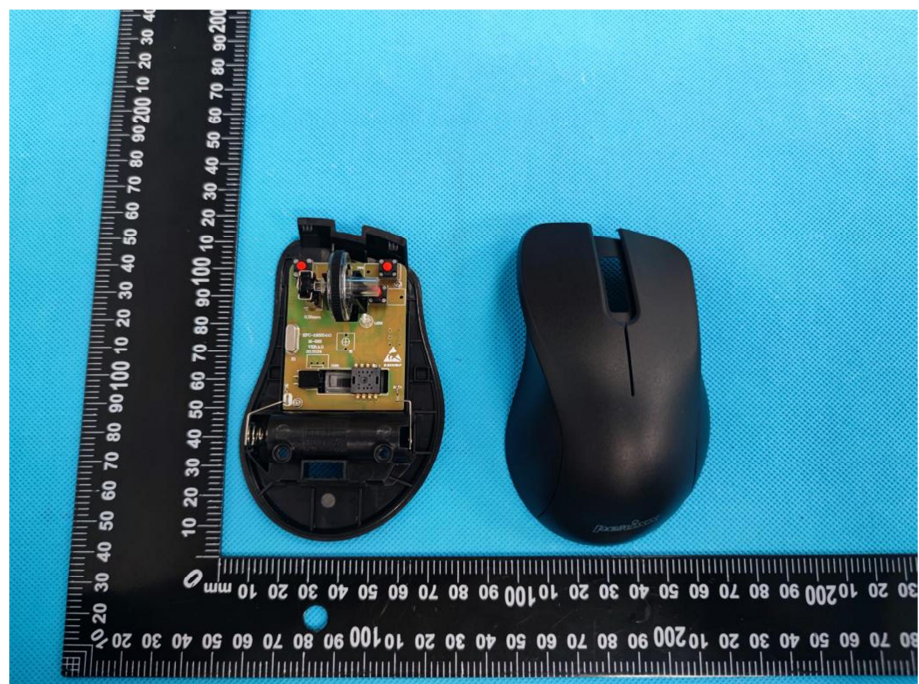

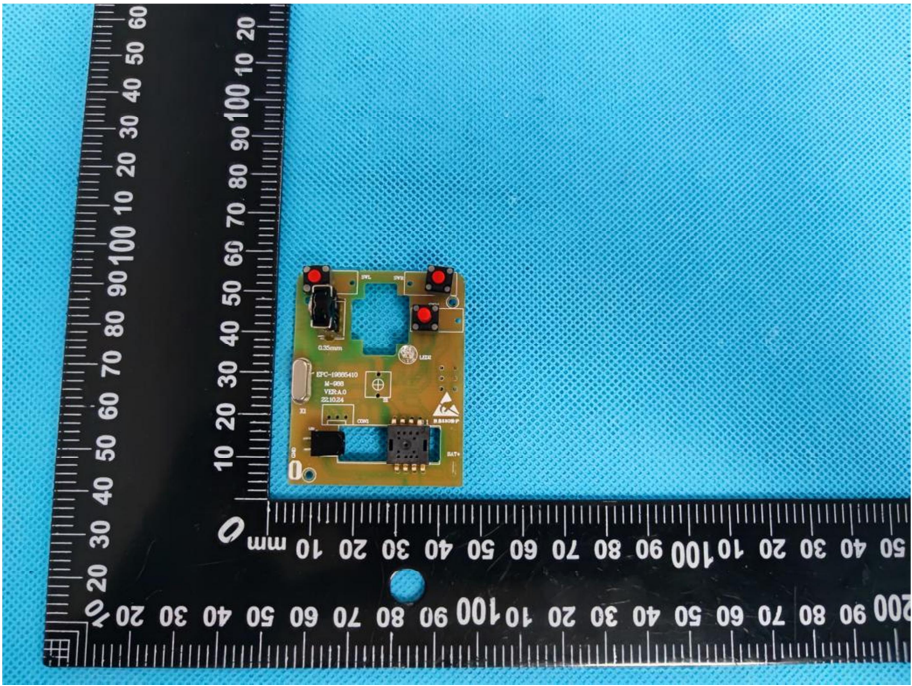

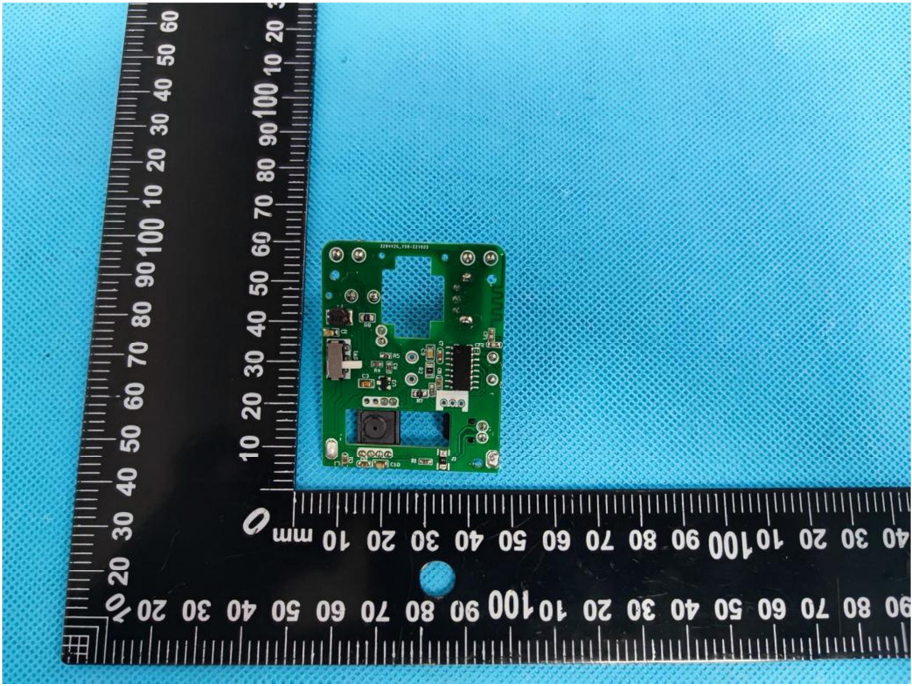

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1

EUT Housing and Board View 2

<p>Solder Board-Component View 1</p>	 <p>A photograph showing the top view of a small, rectangular green printed circuit board (PCB) component. The board is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has white markings in millimeters. The component features several components: a black integrated circuit (IC) on the left, a small silver component in the center, and two red cylindrical components on the right. There are also various surface-mount components and solder joints visible. The text 'EPC-080045' and 'VIBALD' is printed on the board.</p>
<p>Solder Board-Component View 2</p>	 <p>A photograph showing the bottom view of the same green PCB component. The board is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has white markings in millimeters. The component features a large black square component in the center, several small silver components, and various surface-mount components and solder joints. The text 'EPC-080045' and 'VIBALD' is printed on the board.</p>
