

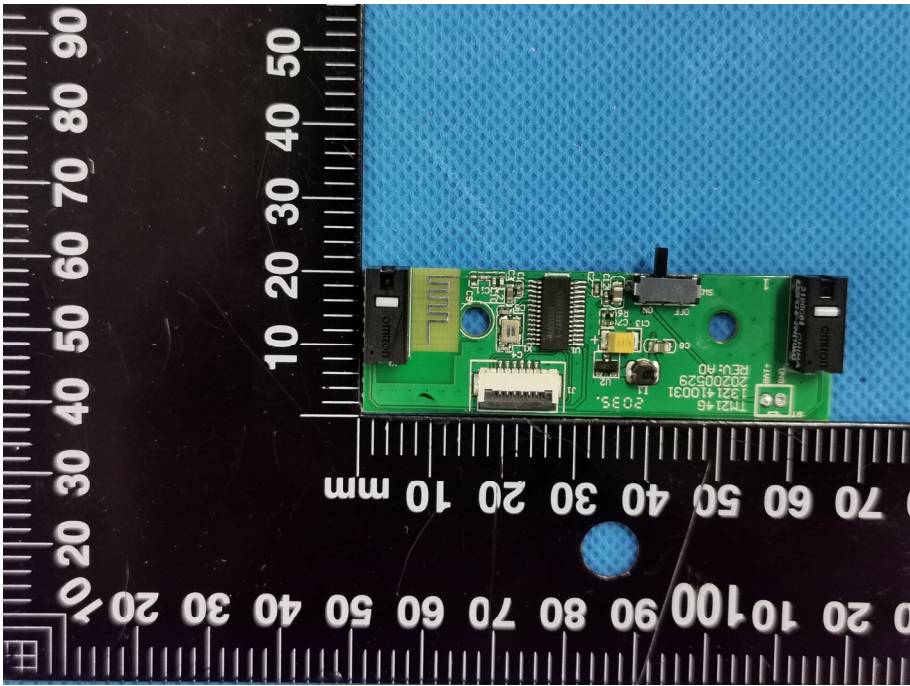

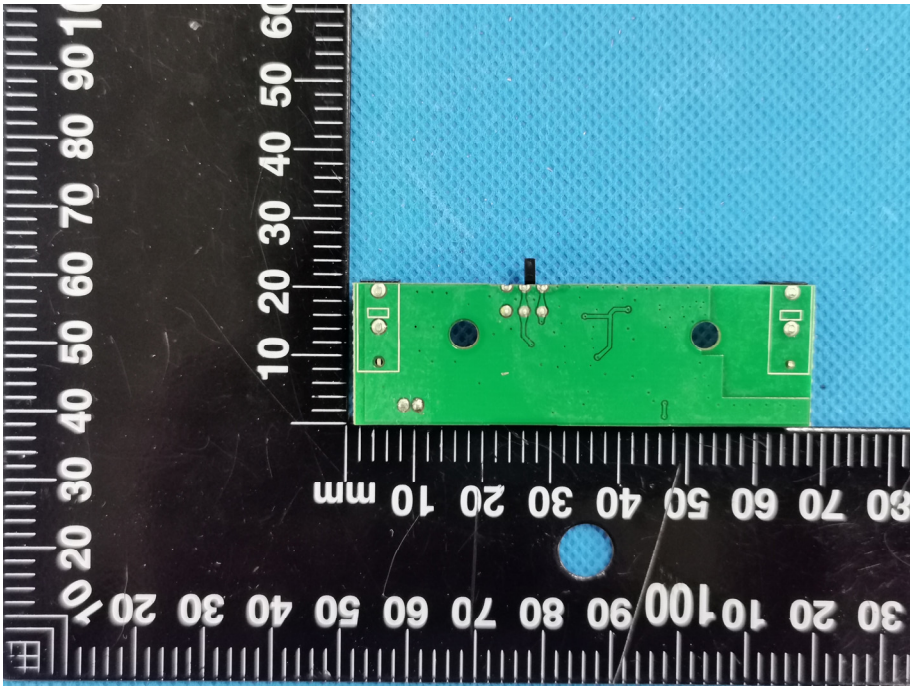

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p style="text-align: center;">Solder Board-Component View 1</p>	 <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The board is positioned horizontally against a black background with white millimeter and centimeter rulers. The board is populated with various electronic components, including a large integrated circuit (IC) in the center, several smaller surface-mount components, and two connectors on the left and right edges. The board is marked with 'TN21 46', '1 321 410031', '20200529', and 'REV: A0'. The board is placed on a blue textured surface.</p>
<p style="text-align: center;">Solder Board-Component View 2</p>	 <p>A photograph of the same green PCB component, labeled 'Solder Board-Component View 2'. This view shows the reverse side of the board, which is mostly empty except for a few small components and solder joints. The board is positioned horizontally against a black background with white millimeter and centimeter rulers. The board is placed on a blue textured surface.</p>
