

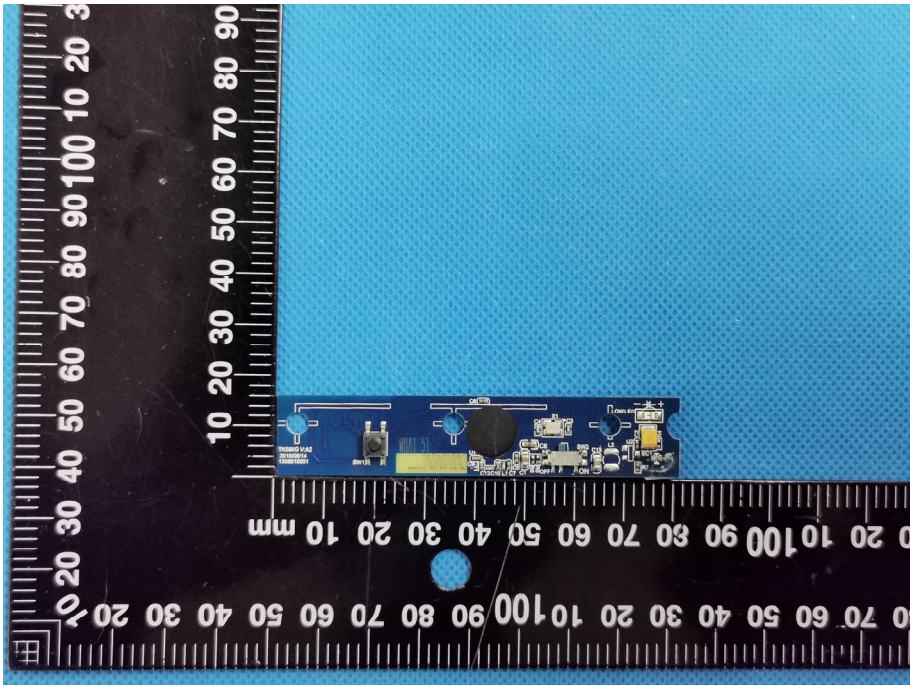

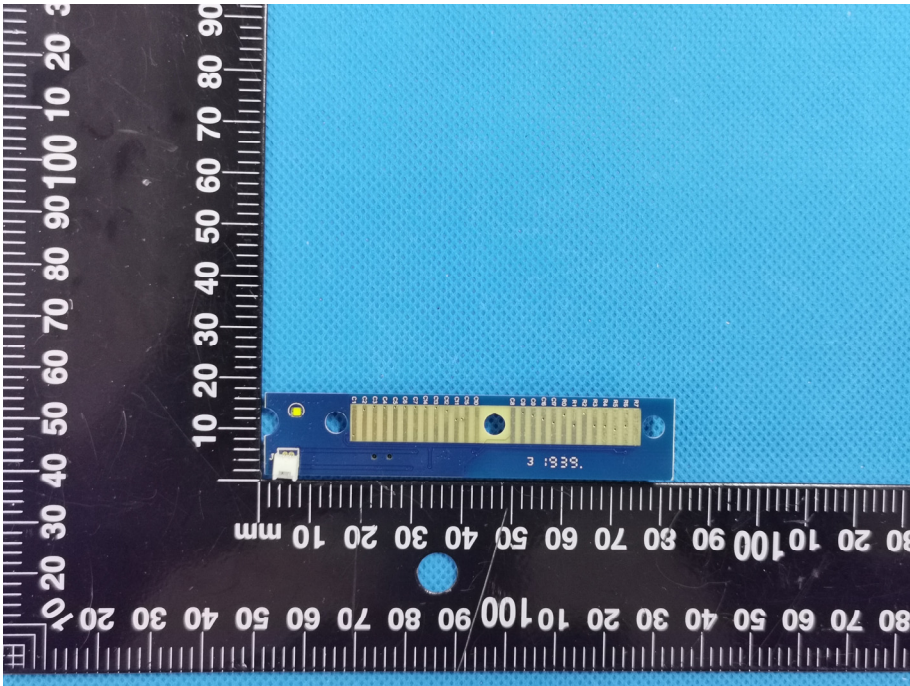

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p style="text-align: center;">Solder Board-Component View 1</p>	 A photograph of a blue printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The component is rectangular and populated with various electronic components, including a large black integrated circuit (IC) in the center, several smaller ICs, and surface-mount components. It is placed on a black background with a white ruler for scale. The ruler shows millimeter markings from 0 to 100 mm. The component is positioned horizontally, with its length approximately 100 mm and width approximately 20 mm.
<p style="text-align: center;">Solder Board-Component View 2</p>	 A photograph of a blue PCB component, labeled 'Solder Board-Component View 2'. This component is narrower than the one in View 1, featuring a prominent gold-colored connector strip along its top edge. It is populated with several small components and is placed on a black background with a white ruler for scale. The ruler shows millimeter markings from 0 to 100 mm. The component is positioned horizontally, with its length approximately 100 mm and width approximately 10 mm.
