Authorization

To whom it may concern,

Please be notified that I, Kelley J Foltz, have designated Chris Zombolas from EMC Technologies Pty Ltd. as the person being responsible for this project and to sign the form 731 and other documentation for the limited purpose of signing the requisite application form and other associated documentation on behalf of TI to be submitted to the FCC and/or the Telecommunications Certification Body (TCB) selected by TI for the purpose of prosecuting TI's application seeking a grant of FCC equipment authorization for the device to be identified by the FCC identification number below.

This grant of authority to act as agent is limited to that needed to allow for the prosecution of a Class II permissive change request to allow Embertec Pty. Ltd. to produce a product which includes the WL18SBMOD module co-located on the same PCB as, and transmitting simultaneously with, the Telegesis EXTR357 - LRS ZigBee module FCC ID: S4GEM35XB.

We further certify that neither the applicant nor any party to this application, as defined in 47 CFR Ch. 1.2002 (b), is subject to a denial to Federal benefits, that include FCC benefits, pursuant to section 5301 of the Anti-Drug Abuse Act of 1998, 21 U.S.C. 835(a).

This authorization is limited to the product of as following:

FCC ID: Z64-WL18SBMOD

If you have any acknowledgement and response, please send it to Sporton International Inc. directly.

Should you have any questions or comments regarding this matter, please contact me.

Sincerely yours,

A handwritten signature in black ink that reads 'Kelley J. Foltz'. The signature is written in a cursive, flowing style.
