**Subject: Modular Approval**

**Date: 5 December 2011**

**FCC ID: Z7H-EMB2530PA**

We, EMBIT SRL - EMBEDDED & WIRELESS SOLUTIONS authorize Eurofins Product Service GmbH to have our model: EMB-**Z2530PA** approved under module approval authorization. The application of this module is specified to mobile host equipment. The requirements regulated in Public Notice DA00-1407 have been fulfilled and clearly explained below.

The requirement of RF shielding: The shielding of the radio portion can be demonstrated in exhibition external photo.

The requirement of buffered inputs: Buffered data inputs stage has been integrated in the Microprocessor.

The requirement of power supply regulation: The module is provided without power supply, has to be supplied with a VDC 2,7 to 3,3 Volt with an external supply unit (see product manual for additional reference).

The requirements of section 15.203 and 15.204(C): The requirements of antenna connector and spurious emission have been fulfilled. Please reference the exhibition Test Report.

The requirement of stand-alone test configuration: Please reference exhibition Test Configuration Photo for the stand-alone test configuration.
