December 28, 2012

Dear Regulatory Authority,

The PMP450 AP, FCCID: Z8H89FT0002 is connectorized and specified to use a 17 dBi connectorized antenna, and CAN NOT use an external reflector.

The PMP450 SM , FCCID: Z8H89FT0001 uses an integrated antenna, the SM housing can be mounted with an additional external reflector antenna.

Sincerely,

Steven M. Payne
RF Principle Staff Engineer
