

## Label Information

The product ID will not be placed on the label because it is too small, and will be placed in the user manual instead. The Module's dimensions are 6.96 X 6.96 X 1.47 mm, and its weight is 0.182 grams. The user manual is the CC1312PSIP datasheet will be readily available online at ti.com, and will show the label as seen below:

**Table 9-3. List of Certifications**

Regulatory Body	Specification	ID (IF APPLICABLE)
FCC (USA)	15.247 Operation within the 902–928 MHz band	ZAT-1312PSIP-1
IC/ISED (Canada)	RSS-247 Operation within the 902–928 MHz band	451H-1312PSIP1
ETSI/CE (Europe) & RER (UK)	EN 300 220, 863 -870 MHz band	-
	EN 303 204, 870–876 MHz band	
	EN 303 659, 865-868 MHz and 915-919.4MHz
