Completed charge time from empty battery is within 2.5-3 hours

LED BEHAVIOR

SPECIFICATION

Bluetooth version: V5.0
Bluetooth range: approximately 10 meters
Bluetooth profile support: A2DP, AVRCP, HFP, HSP
Audio CODEC support: SBC
Battery life: up to 4 hours/time, additional 12 hours with charging case
Driver unit: 6mm dynamic driver
Frequency response: 20 - 20,000Hz
Water resistance rating: IPX4 (for earbuds only)

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARNING: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

The device must not be co-located or operating in conjunction with any other antenna or transmitter. This device complies with FCC's radiation exposure limits set forth for an uncontrolled environment.
