RE: FCC Certification
FCC ID: ZDLST2

To Whom It May Concern:

The module tested and certified under FCC ID XPYSARAU260 is incorporated in the Buddi SmartTag Location device (FCC ID ZDLST2) and is not modified in any way. The only reason for the re-certification is due to the module being used outside of the grant conditions as it is used within 20cm of human body.

Thank you for your attention to this matter.

Yours faithfully

Charles Lewinton
