**UK CA**

This product complies with the radio interference requirements of the United Kingdom

**Declaration of Conformity**

Hereby, Sariana LLC declares that the product type ST-MCMWCM is in compliance with Radio Equipment Regulations 2017. The full text of the UK declaration of conformity is available at the following internet address: <https://satechi.net/>

**RF exposure information:**

The Maximum Permissible Exposure (MPE) level has been calculated based on a distance of d=20 cm between the device and the human body. To maintain compliance with RF exposure requirement, use product that maintain a 20cm distance between the device and human body.

Product Name: Magnetic Wireless Car Charger  
Model No.: ST-MCMWCM  
Frequency Range: 110.1KHz-205KHz  
Max. Transmit Power: 22.79 dBuA/m@3m

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

This symbol means the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment. For more information on disposal and recycling of this product, contact your local municipality, disposal service, or the shop where you bought this product.

**FCC FCC**

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference and
2. This device must accept any interference received, including interference that may cause undesired operation.

**Note:** This Equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the Federal Communications Commission (FCC) rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- 1.1. Reorient or relocate the receiving antenna
- 1.2. Increase the separation between the equipment and receiver
- 1.3. Connect the equipment into and outlet on a circuit different from that to which the receiver is connected
- 1.4. Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.

**CE CE DECLARATION OF CONFORMITY**

Satechi declares that this product is in compliance with the essential requirements and other relevant provisions of applicable EC directives. For Europe, a copy of the Declaration of Conformity for this product may be obtained by visiting [www.satechi.net/doc](http://www.satechi.net/doc)

**EAC** Инструкция по безопасности  
Импортер: ООО «Дюхаус» Адрес: Россия, 105066, Москва, ул. Доброслободская, д. 5, стр. 1, комната 10. Претензии принимаются по адресу: Россия, 111250, г. Москва, пр-д завода «Серп и Молот», д.6, к.1.  
Страна-изготовитель: Китай. Фирма-изготовитель: Сарьяна ЛПС 7265 Миссон Джордж Риди Сент-Джонс, г. Сан-Диего, Калифорния 92120 США  
Срок службы: 1 год. Срок гарантии: 1 год с момента продажи. Условия гарантии: соблюдение условий использования. Условия использования: при температуре от +10°C до +35°  
Сберечь от влаги и механических воздействий, не располагать легко воспламеняющиеся предметы в непосредственной близости с устройством. После использования утилизировать.  
Дата изготовления и информация о соответствии требованиям ТР ТС указаны на розничной упаковке изделия.
