LABELING COVER LETTER

Gentlemen,

We hereby declare that, because of the tiny dimensions of the module with Model Number: BLEDIX001 and FCC ID: **ZG5BLEDIX001**, it is not possible to provide a permanent label on it that fulfills the FCC requirements (a 4pts text has a height of 0.8mm and the whole text would be 16mm long, more than the 14mm length of the shield).

For this reason, only a removable label will be provided, and it will be placed over the shield.

Sincerely,

Giuseppe Guarini
Intercompany Business Development Manager

Two handwritten signatures are present. The first signature on the left is in blue ink and appears to read "Giuseppe Guarini". The second signature on the right is in black ink and appears to read "G. Guarini".
