Overview

The R Series DATA COMM II wi-fi module, manufactured by Logic PD for ZOLL Medical Corporation, contains an 802.11 a/b/g/n radio. Test reports are submitted by LS Research LLC and Northwest EMC, Inc. to demonstrate compliance of the radio. The reports from LS Research LLC list the product as Logic PD 37x Torpedo + Wireless SOM. This product and the R Series DATA COMM II are identical. The Northwest EMC report lists the product as the ZOLL CF Card Module. The ZOLL CF Card Module and the R Series Data COMM II are also the same as the Logic PD 37x Torpedo + Wireless SOM.
