Re: FCC Certification Confidentiality Request by Micron Electronics LLC (FCC ID: ZKQ-PLT)

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Micron Electronics LLC requests that the following documents regarding this submission for FCC ID: ZKQ-PLT be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	CONF APPENDIX ZKQ-PLT_Block Diagram.pdf
Schematics	CONF APPENDIX ZKQ-PLT_Schematics.pdf
Operational Description	CONF APPENDIX ZKQ-PLT_Operational Description.pdf
Part list	CONF APPENDIX ZKQ-PLT_BOM.pdf
Tune-Up-Procedure	CONF APPENDIX ZKQ-PLT Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which Micron Electronics LLC considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Micron Electronics LLC considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read "Ping Cheng", is written over a light blue horizontal line.
