Confidentiality Request

Gentlemen:

Pursuant of Sections 0.457 & 0.459 of the Commission's Rules, Micron Electronics LLC requests that the following documents regarding this submission for FCC ID: ZKQ-PRS be kept confidential:

Exhibit Type	File Name
Block Diagram	CONF APPENDIX ZKQ-PRS_Block Diagram.pdf
Schematics	CONF APPENDIX ZKQ-PRS_Schematics.pdf
Operational Description	CONF APPENDIX ZKQ-PRS_Operation Description.pdf
Part list	CONF APPENDIX ZKQ-PRS_BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which Micron Electronics LLC considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Micron Electronics LLC considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
